Taking Notes

The faculty and administration at DVA strongly encourage students to take notes by hand when working through their courses. Research has shown that longhand note-taking is linked with greater academic success, and we have witnessed this fact firsthand.

Essay Questions

Essay and other constructed response questions are accompanied by specific guidelines for their successful completion. Often these guidelines will specify the number of facts or other pieces of information that must be included. Sometimes they also include a word count. Do not ignore these guidelines and requirements. **Insufficient essay and/or short answer responses will be reassigned.**

General Tips

Online courses are designed to be rigorous and challenging, but students will only get out of it what they are willing to put into it.

Read the entire lesson

- Watch the entire video and/or read the video transcript
- Take detailed, well-organized notes

Academic Integrity Contract

Students enrolled in DeKalb Virtual Academy must take all unit tests, course examinations, final exams, and Alabama mandated assessments. Such items must be proctored by DVA staff.

Students are responsible for the following:

- Students must take a final exam in each course unless exempted by their local school.
- All work must be completed by the student alone.
- Any collaboration among students must be pre-approved by the teacher.
- **Plagiarism** will not be allowed in any form. This will include copying or using the ideas or words of others and presenting them as one's own.
- Students will not allow others to copy their work.
- Content from the internet will not be misused or misrepresented.

Scores earned on tests or exams not taken at an approved testing site with a proctor are subject to invalidation and review by the DVA Academic Integrity Committee. Additionally, the student may be removed from the course with a failing grade and may be subject to dismissal from the virtual academy. Virtual students are responsible for their transportation to and from DVA.

Minimum Requirements to Remain Enrolled in DVA

- Maintain consistent access to the Internet and capable device for completing coursework.
- Accumulate no more than 5 unexcused, full-day absences during the current year.
- Maintain appropriate course progression as measured by the completion of lessons, assignments, quizzes, and/or tests.
- Adhere to the Academic Integrity Contract.
- Remain in good standing as a student of DVA.
- Students with discipline infractions resulting in suspension or expulsion will immediately be removed from DVA.
- **All students must re-apply for acceptance in DVA each school year.**

DVA Student Pacing/Intervention Guide

Any student who is 10% or more behind the pace guide in a course or has an average below 60 is considered to be an at-risk student. At such point, the student **must** attend additional work sessions at DVA and/or increase daily login times until adequate progress is made in the course. Failure to report to DVA for times such additional work sessions and/or increase of logins will count as an unexcused absence.
